

## **Call for Applications\_Jointly Funded Scientific Research Project**

**by the FDCT and the GSTD 2019**

### **2019 年度澳門科學技術發展基金與廣東省科技廳聯合科研資助**

The Science and Technology Development Fund (FDCT) is now calling for applications of the "Jointly Funded Scientific Research Project by the FDCT and the GSTD 2019" (2019 年度澳門科學技術發展基金與廣東省科技廳聯合科研資助) till 13 Sept 2019.

This scheme mainly supports industry-university-research collaboration projects jointly proposed by Guangdong-Macao research candidates in following fields: electronic and information, biomedical (Chinese medicine), energy conservation and environmental protection, smart city, and marine science (電子信息、生物醫藥(中醫藥)、節能環保、智慧城市、海洋科學).

For details, please refer to the FDCT website and consult our colleagues of RSKTO below.
